In a subsequent publication, the source separately corrects an earlier media report concerning the detention of a man with the same surname: the charges against Anton in that incident are not included in the case file. His exact role in the call centres and his current legal status have not been established. [1] [2]

The published information does not provide sufficient grounds to attribute the described activities to ‘9999’ or ‘0900’. Therefore, the entry has been included in the general section on call centres without such a label. The missing information regarding the hierarchy and distribution of responsibilities is not supplemented by speculation. [1] [2]

This material has been prepared by the editorial team’s analysis department based on a compilation of published reports. The roles and connections described are based on information from the source; the mention of an individual does not imply their guilt or current legal status.
