The author himself notes that he is still investigating exactly where she worked after leaving ‘Maxi Group’. Consequently, the dossier does not attribute the management of any specific subsequent office to her. [1]

The published information does not provide sufficient grounds to attribute the activities described to ‘9999’ or ‘0900’. Therefore, the entry has been included in the general section on call centres without such a label. The missing information regarding the organisational structure and distribution of responsibilities is not supplemented by speculation. [1]
