A source claims that Sergei Mudrak owned call centres. [\[1\]](#)

In the publication, this activity is mentioned in an overview of his associates and other alleged business ventures. The names of the offices, the scale of the network and whether it belonged to '9999' or '0900' have not been established. [\[1\]](#)

The published information does not provide sufficient grounds to attribute the described activities to '9999' or '0900'. Therefore, the entry has been included in the general section on call centres without such a label. The missing information regarding the hierarchy and distribution of responsibilities is not supplemented by assumptions. [1]

This material has been prepared by the editorial team's analysis department based on collected publications. The roles and connections described are based on the source's information; the mention of an individual does not imply their guilt or current legal status.
