In the article about these projects, the author also mentions Vitaliy and Anton Kryvoruchko. The text does not provide any documentary evidence of the ownership structure, Primakov's specific role within the offices, or his legal status. [\[1\]](#)

The published information does not provide sufficient grounds to attribute the described activities to '9999' or '0900'. Therefore, the entry has been included in the general call centre section without such a label. The missing information regarding the organisational structure and division of responsibilities is not supplemented by speculation. [\[1\]](#)

This material has been prepared by the editorial team's analysis department based on collected publications. The roles and connections described are based on the source's information; the mention of an individual does not imply their guilt or current legal status.
