The article centres on an operation in Dnipro on 31 March 2026, as described by the author, and the subsequent disagreements within the office group. It distinguishes between the alleged owners and those who took part in the teams' work. The dossier does not equate these roles nor does it extend the accusations against one participant to the others. [1]

This material has been prepared by the editorial team's analysis department based on collected publications. The roles and connections described are based on information from the source; the mention of an individual does not imply their guilt or current legal status.
