Nazar Strelnikov

According to the source, Nazar Strelnikov managed one of the group’s call centres, the owners of which are referred to in the text as ‘Phil’ and ‘Kalmar’. [1]

The author links him to the team led by Vladislav Kislov and Kirill Stepanov. Reports of investigative activities are presented as a retelling from the source, without the author having independently verified the current criminal status of the case. [1]

The article centres on an operation in Dnipro on 31 March 2026, as described by the author, and the subsequent disagreements within the group’s office. It distinguishes between the alleged owners and those who were involved in the teams’ work. The dossier does not equate these roles nor does it extend the accusations against one participant to the others. [1]
