Vaagn Gagikovich Suvaryan

A source links Vahagn Suvaryan and his brother Vagan to call centres within Konstantin Gavrilenko's inner circle. [\[1\]](#)

The source specifically mentions their involvement in the activities of the 'Heart of the Ukrainian Nation' foundation. Vahagn's exact role within the office network is not specified. He is a separate individual: in the same post, Vagan Suvaryan is identified as his younger brother. [1]

The article focuses on the overlap between business operations and Konstantin Gavrilenko's charitable network. The author considers the brothers together, but does not specify the division of their responsibilities within the call centres. Consequently, the mention of the foundation and their alleged work with the offices are described as separate matters. [1]

Date or year of birth according to the source: 1984. [1]

This material has been compiled by the editorial team's analysis department based on published reports. The roles and connections described are based on information from the source; the mention of an individual does not imply their guilt or current legal status.
