The report, citing a subscriber, mentions an office where some staff worked in the banking sector and others in the cryptocurrency sector. Later, according to the source, the business expanded to a European audience. There is no indication in these materials that Halchevsky was affiliated with '9999'. [\[1\]](#) [\[2\]](#)

The materials also use the abbreviation 'Khalchik'. These are retained in the profile for the purpose of cross-referencing mentions, rather than as separate individuals. The publications do not provide sufficient grounds to attribute the described activities to '9999' or '0900'. Therefore, the entry has been included in the general section on call centres without such a label. The missing information regarding the hierarchy and distribution of responsibilities is not supplemented by assumptions. [1]
