Alexander Sergeyevich Yarovoy

Other names: Yarovyi Oleksandr Serhiiovych — spelling as given in the source

A source links Alexander Yarovoy to the management of call centres in Kyiv. [1]

In a follow-up publication from the internal database, the author corrects the initial statement: Yarovoy is named as the manager, not the owner. In the entry from the internal database, this group is explicitly separated from ‘9999’. [1]

The materials also use the following spellings: Yarovyi Oleksandr Serhiiovych — as written in the source. These are retained in the profile for the purpose of cross-referencing mentions, rather than as separate individuals. The publications do not provide sufficient grounds to attribute the described activities to ‘9999’ or ‘0900’. Therefore, the entry has been included in the general section on call centres without such a label. Missing information regarding the hierarchy and distribution of responsibilities is not supplemented by assumptions. [1]

This material has been compiled by the editorial team’s analysis department based on published reports. The roles and connections described are based on the source’s information; the mention of an individual does not imply their guilt or current legal status.
