In the report, Mizrakh is listed under the ‘Media’ section. The authors link him to media coverage of individuals associated with ‘Khimprom’ and attribute to him the role of intermediary in dealings with law enforcement agencies. [1] [2]

Page 17 describes the controversies surrounding Mizrakh and the incidents of December 2021 and October 2022. The authors set out theories regarding those who commissioned the acts and the motives behind them without attaching any court rulings. This information must not be used as evidence of the guilt of the individuals named or as a description of the current situation. [1] [2]

This profile reproduces the content of a source from the Makondo.net editorial archive. A mention in this profile does not constitute proof of involvement or a conviction. The current legal status, based on the materials provided, has not been established.

Any references in the archives should be read in the light of a later publication: on 28 July 2023, the UNN news agency reported the death of Igor Mizrakh, citing sources within the law enforcement agencies. According to the agency, he died whilst being transported from the remand centre to hospital. This news does not confirm the claims regarding ‘Khimprom’ set out in the report. [3]
