Limits of the information

The data does not contain a description of the circumstances of the case or the text of the court ruling. The list of articles and the wanted status category are reproduced as information from the source; they do not prove that all the listed acts were committed, nor do they establish a link to any criminal organisation.

Date of the dataset as indicated during preparation: 27 September 2026. The current procedural status requires separate verification. The field regarding the preventive measure does not in itself confirm that the individual is actually in custody.
