Limits of the information

The data does not contain a description of the circumstances of the case or the text of the court ruling. The list of articles and the category of the search warrant are reproduced as information from the source; they do not prove that all the listed acts were committed, nor do they establish a link to any criminal organisation.

Date of the dataset as indicated during preparation: 27 September 2026. The current procedural status requires separate verification. The field regarding the preventive measure does not in itself confirm that the individual is actually in custody.
