This reflects the geographical origin of the archive material and does not confirm the individual's current place of residence or citizenship.

The source's caption dated 4 January 2020 is provided below in Russian translation. All role designations refer to the archival assessment:

- Status: dethroned 'thief-in-law' Andrei Lvovsky, Nedelya

Other dated information

26 May 2020. 'Suspilne' reported on searches carried out as part of the investigation into a 2009 murder. According to information received by the editorial team from the National Police's Department of Strategic Investigations, the \$400,000 seized was linked to Andriy Nedzelskyi's inner circle. The report mentioned that he was a suspect in absentia; it also noted that, following his initial detention in connection with this case, he was released due to a lack of evidence. The report sets out the investigators' version of events, not a finding of guilt established by a court verdict. [\[2\]](#)

Source and clarification of information

This record is based on a PDF provided from the Makondo.net editorial archive. The date 4 January 2020 is specified in the file name; the authorship of the diagram and the official status of the document have not been independently verified. An archive record does not constitute a judicial finding of guilt. [\[1\]](#)
