Andrei Sergeyevich Morgun

Published 30.09.2026 · Updated 30.09.2026

Andrei Morgun is the director and shareholder of ITBit LLC, formerly known as 'Bill Line' and 'Tech-Soft Atlas'. His verified public profile is primarily associated with the management of companies in the payments and IT sectors.

Editor's note: this is a placeholder, not a portrait of the person.

Status: Director and co-owner of 'ITBit'

Other names: Andrei Morgun; Andrii Morgun; Andrei Sergeyevich Morgun

Andrei Morgun is the director and shareholder of ITBit LLC, formerly known as 'Bill Line' and 'Tech-Soft Atlas'. His verified public profile is primarily associated with the management of companies in the payments and IT sectors.

Corporate timeline

Andrei Sergeyevich Morgun appeared among the company's shareholders (EGRPOU code 42884957) in July 2022. At the same time, the registration records showed a change in the director and beneficial owner: Morgun was listed in place of Artem Lyashanov. These dates make it possible to distinguish his period of management from the previous one. [\[1\]](#)

In the 'ITBit' profile, verified on 30 September 2026, Morgun is listed as a director and owner of 50 per cent of the share capital. A further 25 per cent each is attributed to Dmitry Myakota and Sergey Bagmut. The main stated business activity is the provision of other information services. [\[1\]](#)

Connection to a financial company

Morgun is also listed among the beneficial owners of 'Finprogres Financial Company' Ltd, registration number 44289385. In the history of changes for September 2022, his name appeared in place of Lyashanov's. However, the verified profile lists Yulia Kulchitskaya as the director: beneficial ownership should not be confused with the current management. This document broadens Morgun's business profile without automatically attributing all the company's operations to him. [\[2\]](#)

This remains subject to verification

In the original publication about bill_line, Morgun's formal position is mentioned alongside a claim regarding another individual's informal control. These pieces of information have different evidential bases: the former can be verified through the company's corporate history, whilst the latter requires separate documents and testimony. [\[3\]](#)

A reliable, publicly available biography detailing his education and early employers has not yet been established. Profiles with the same name from other sectors have not been used. This profile describes his verified professional roles and does not attribute any criminal status to Morgun on the basis of a newspaper headline.

This profile was last updated on 30 September 2026. The information relates to the dates of the documents and publications cited. To correct any factual errors or provide a response, please contact the editorial team via the website's contact details.
