Brief profile

Field	Details
Name in sources	Jörgen Haglund
Date of birth	24.03.1970
Jurisdiction and international links	Sweden; suspected links to southern Europe, including Spain
Legal status	Wanted by Sweden to serve a sentence of 4 years and 11 months

For which offence was the sentence handed down?

The case relates to the possession of a particularly large quantity of drugs south of Stockholm in April 2025. The brief official description does not specify the substance or the exact weight; therefore, no further details regarding cocaine, laboratories or a specific cartel should be added to it. [1]

Law enforcement agencies believe that Haglund may have travelled to Southern Europe to evade serving his sentence. Spain is listed as a possible destination on the European list. This is a tentative link and not a confirmed whereabouts as at the date this file was compiled. [1]

Why is the manhunt continuing after the trial?

Unlike the suspect profiles, this entry already specifies the sentence handed down. The purpose of the search is to ensure the sentence is served. The public record was updated in September 2026 and contains an identifying photograph of Haglund. [1]
