What the charges state

The individual warrant lists conspiracy to traffic drugs and possession of controlled substances with intent to distribute. In its published description, the FBI links the case to methamphetamine and other controlled substances. [1]

The jurisdiction is the Middle District of Florida. However, the brief description does not specify the weight of the consignment or the exact amount of the alleged proceeds. It does not allow for the conclusion that Wilson was leading an international criminal organisation. [1]

Location of the search and photograph

The FBI notes links to North and Central Florida and Atlanta in the state of Georgia. These are areas of interest rather than a confirmed current address. The photograph included in the profile is dated 2024; Wilson’s date of birth is 20 September 2000. [1]
