Status: The official allegation has not been confirmed

Other names: Yulia Polishchuk; Yuliia Polishchuk

Why the discrepancies in the registers were not included in the biography

Business and court records contain entries in the name of Yulia Polishchuk with various middle names. Based on the available information, none of the business records found can be reliably attributed to the person mentioned by the source. Sharing a surname with another person does not, in itself, establish a family relationship or a business connection.

According to a source at the editorial office

A source close to the editorial team mentions this name in connection with Yevgeny Viktorovich Zaifert's alleged group, which he links to 'Khimprom'. Carries out various tasks for the Khimprom cartel [4].
