Procurement by 'Macrochem-Ukraine'

Skelet Org reported that the company had won tenders worth over 15.5 million UAH in 2022. In the OpenDataBot list available on 5 November 2026, our editorial team counted 13 profiles showing a completion date in 2022, totalling 3.31 million UAH. This figure is based on a visible sample of records, and the Skelet Org publication does not specify which procedures and dates are included in its calculation. Therefore, the figure of 15.5 million UAH is cited with reference to that publication. To compare time periods, a confirmed example is highlighted separately: 'Nashi Hroshi' reported on a contract worth approximately 21 million UAH for security at the museum in Pirogovo in 2024.
