The source places him within Emil Arutyunyan’s inner circle and the ‘0900’ group. The author clarifies separately that, in public, Andreev goes by the name Timur; this is not a separate file on another individual. [1]

The author distinguishes between the two functions attributed to Andreev: managing the European call centres and handling transactions involving the funds received. The publication also draws a parallel between the publicly known name ‘Timur’ and the name ‘Andrei’. This comparison is presented as the source’s conclusion, without establishing any new names or connections based on external data. [1]

Date or year of birth according to the source: 29 March 1978. [1]

This material has been prepared by the editorial team’s analysis department based on collected publications. The roles and connections described are based on information from the source; the mention of an individual does not imply their guilt or current legal status.
