Kirill Vardanyan

The source identifies Kirill Vardanyan as the head of the call centre network within the ‘9999’ organisation, reporting to Konstantin Gavrilenko. [1] [2]

In publication No. 1583, the author describes the expansion of the network in several cities across Ukraine. A subsequent report on the team under his command does not provide grounds for automatically identifying the full names of all its employees. [1] [2]

The source cites 2D Vokzalnaya Square in Dnipro as one of the locations. The author also mentions two offices on different floors of the same building. The fact that the addresses coincide does not mean that the teams had the same managers or that each person mentioned was responsible for both units. [1] [2]
