The author claims that Vasilenko previously worked at the State Bureau of Investigations and uses his connections within the law enforcement system. This description refers to alleged facilitation, rather than a claim that he worked as a call centre operator. [1]

The publications do not provide sufficient grounds to attribute the described activities to ‘9999’ or ‘0900’. Therefore, the entry has been included in the general section on call centres without such a label. The missing information regarding the hierarchy and distribution of responsibilities is not supplemented by speculation. [1]

Date or year of birth according to the source: 30 May 1988. [1]
