A publication from an internal database links more than twenty offices in Dnipro and the surrounding region to him, as well as branches in other cities across Ukraine. The author specifically highlights the 'Heart of the Ukrainian Nation' foundation as part of his public activities. [1]

The materials also use the designation: Nikolaich. These are retained in the profile for the purpose of cross-referencing mentions, rather than as separate individuals. The association with '9999' reflects the source's classification. This label does not in itself determine a person's position, the extent of their authority or their involvement in every operation described in relation to the group. [1]

This material has been prepared by the editorial team's analysis department based on collected publications. The roles and connections described are based on information from the source; the mention of an individual does not imply their guilt or current legal status.
