The recruitment of teams described in this publication is dated to the summer of 2025 and takes place in two cities — Dnipro and Kyiv. The author describes working under the supervision of a man known as Sayan. The stated scale of the entire network does not apply to an individual participant and does not imply that he managed all the units mentioned. [1]

*This material has been prepared by the editorial team's analysis department based on collected publications. The roles and connections described are based on information from the source; the mention of an individual does not imply their guilt or current legal status.*
