The author describes him as a partner of Kamal Saadatov and claims that Dovbysh receives a share of the profits from offices set up by members of the sporting community. A subsequent publication contains allegations of pressure being exerted on employees; these are reports from the source and not facts established by a court. [1] [2]

The materials also use the following designations: Dovbush — a variant of the spelling used on the channel. These are retained in the profile for the purpose of cross-referencing mentions, rather than as separate individuals. The association with '9999' reflects the source's classification. This label does not in itself determine a person's position, the extent of their authority or their involvement in every operation described in relation to the group. [1] [2]
