The author refers to a promotional video featuring a job advertisement and a tour of the office. The report does not specify whether this office is affiliated with '9999'. [\[1\]](#)

In the advertisement described, the job was accompanied by promises of accommodation for non-local applicants, a fixed salary and a commission. The author links the advert by 'Angelina' to Dorofeeva. Thus, the specific subject of the message is the recruitment of staff and the advertising of a vacancy, rather than established ownership of the office. [1]

In a further report, the source again links Alina-Angelina Dorofeeva to the HR department at the office at 32 Voskresenskaya Street in Dnipro. The work of another recruiter is also described there. This is a specific reference to a particular location, rather than confirmation that all its staff belong to the same group. [2]

Date or year of birth according to the source: 1 January 1999. [1]
