This is mentioned in an article about Ilya Burdin and the Lviv conflict. Zaitsev's exact position and the name of the organisation he subsequently joined are not specified. [\[1\]](#)

Burdin's team is referred to by the source as 'ChP'. The article describes internal relations with staff and personnel movements between rival teams. This helps to distinguish between a stated affiliation with a particular office environment and the assumption that all the individuals mentioned continued to work together. [\[1\]](#)
