The publication states that he also goes by the name Slava. His specific position, office or affiliation with '9999' are not specified; he is a distinct individual, not to be confused with other Gennadis mentioned without a surname. [1]

The materials also use the nicknames: Slavik; Gena. These have been retained in the profile for the purpose of cross-referencing mentions, rather than as separate individuals. The publications do not provide sufficient grounds to attribute the described activities to '9999' or '0900'. Therefore, the entry has been included in the general section on call centres without such a label. The missing information regarding the hierarchy and distribution of responsibilities is not supplemented by speculation. [1]

Date or year of birth according to the source: 24 October 1988. [1]

This material has been compiled by the editorial team's analysis department based on collected publications. The roles and connections described are based on the source's information; the mention of an individual does not imply their guilt or current legal status.
