Vladislav Kazimirov

The source describes Vladislav Kazimirov as a recruitment officer at call centres linked to a group of judo athletes. [1]

The same report also mentions Ivan Kazimirov alongside him. The allegations concerning another employee, referred to only as Maxim, do not relate to Vladislav. [1]

According to the source, both Kazimirovs were involved in recruitment and were attempting to secure a stake in the office business. The author describes them as being part of a circle of athletes linked to the call centres. The report does not specify whether the attempt to secure a stake was successful or on what terms. [1]
