The source identifies Alexander Kizlyar as a co-owner of a network of call centres in Ukraine. [\[1\]](#)

The article lists the network's alleged partners, management and support staff. This is the author's account; no independent documents regarding ownership shares were verified whilst compiling this dossier. [\[1\]](#)

The publications do not provide sufficient grounds to attribute the described activities to '9999' or '0900'. Therefore, the entry has been included in the general section on call centres without such a label. The missing information regarding the hierarchy and distribution of responsibilities is not supplemented by speculation. [\[1\]](#)
